

ADCUTECH Ltd Custodial Service Hatch

Model ADCD0650

Model ADCD0650 - 2 Position Custodial Service Hatch with Fully Open and Fully Closed Positions

Adcotech's 2 Position Custodial Service Hatch is a tough rigid construction, that is safe and has a light weight lifting action, which allows it to be easily operated one-handed. It has been developed, tested & approved in conjunction with the Home Office for use in Police Custody Suites.

The compact design has an overall size of 420mm x 420mm and is a ready assembled unit that can be fitted as a replacement for existing hatches that are un-safe or out of date. The service aperture is 300mm wide x 125mm high, these dimension can be reduced if required.

The sliding cover is fitted with nylon running strips to ensure a smooth, precise sliding action which makes the unit quiet during operation and also dampens any noise made by inmates hitting the hatch from inside the cell.

FEATURES

- Light weight alloy construction
- Hard anodized to resist damage
- Single handed operation
- Automatic locking in closed position
- Rapid push closing
- Ligature resistant

Model ADCD0650
closed position
